

To: All parties interested in the Removal & Consolidation of Marine Sediments in NGS-S Compartment

Donica Receivership Services, LLC, through the Receiver, Herbert Donica, has selected C & M Dredging, Inc., Dredge America, Inc., Petrotech Southeast, Inc., and Solmax Geosynthetics, LLC as the lowest responsible and responsive bidders for the Removal & Consolidation of Marine Sediments in NGS-S Compartment. The Receiver will work with these prevailing bidders to negotiate formal contracts consistent with the Contractor Bid Package that incorporates the project's Description of Work.

The Receiver extends his thanks to all that have expressed an interest in this project. Additional phases of the remaining parts of the project will be addressed as soon as possible.

Questions may be directed to the Receiver at:
